

Hello, my name is Chelsey Callaghan, Owner of War Paint Beauty Bar and War Paint Esthetics. A few things about me: I've been a licensed Esthetician and certified lash artist since 2018. I have been trained and certified in classic and volume lashes by Oregon Dermal Academy; and fine-tuned my craft of lashing with one of the top, eyelash extension salons in the Portland-Metro area. I am also a certified airbrush spray tan and body contouring artist. I am currently working out additional details on these upcoming spray tanning services, so please touch base with me soon for more details! Please feel free to contact me with any questions. I can't wait for use to get to know each other!

Truly yours,

Chelsey Callaghan
